The GLORY and LIGHT

The Magnitude of Our Reality

Excerpts from A Course in Miracles

“Nothing is required of you to reach this goal except to lay all idols and self-images aside...”

**

W 94 Para 4 L 1

“Your practice must therefore rest upon your willingness to let all littleness go. The instant in which magnitude dawns upon you is but as far away as your desire for it. As long as you desire it not and cherish littleness instead, by so much is it far from you. By so much as you want it will you bring it nearer.”

**

Ch. 15 IV Para 2 L 1 – 4

“There is nothing about me that you cannot attain. I have nothing that does not come from God. The difference between us now is that I have nothing else.”

Ch. 1 II Para 3 L 10 – 12

Gd

“You always choose between your weakness and the strength of Christ in you. And what you choose is what you think is real. Simply by never using weakness to direct your actions, you have given it no power. And the light of Christ in you is given charge of everything you do. For you have brought your weakness unto Him, and He has given you His strength instead.”

“Your holiness reverses all the laws of the world. It is beyond every restriction of time, space, distance and limits of any kind. Your holiness is totally unlimited in its power because it establishes you as a Son of God, at one with the Mind of his Creator.”

W 38 Para 1

M Gd

**

“You (God) are the Self Whom You created Son, creating like Yourself and One with You. My Self, which rules the universe, is but Your Will in perfect union with my own, which can but offer glad assent to Yours, that it may be extended to Itself.”

W 253 Para 2

W Gd

**

“Through your holiness the power of God is made manifest. Through your holiness the power of God is made available. And there is nothing the power of God cannot do. Your holiness, then, can remove all pain, can end all sorrow, and can solve all problems. It can do so in connection with yourself and with anyone else. It is equal in its power to help anyone because it is equal in its power to save anyone.”

W 38 Para 2

Gd

**

“There is a light in you which cannot die; whose presence is so holy that the world is sanctified because of you. All things that live bring gifts to you, and offer them in gratitude and gladness at your feet. The scent of flowers is their gift to you. The waves bow down before you, and the trees extend their arms to shield you from the heat, and lay their leaves before you on the ground that you may walk in softness, while the wind sinks to a whisper round your holy head.”

W 156 Para 4

**

“The light in you is what the universe longs to behold. All living things are still before you, for they recognize Who walks with you. The light you carry is their own. And thus they see in you their holiness, saluting you as savior and as God. Accept their reverence, for it is due to Holiness Itself, which walks with you, transforming in Its gentle light all things unto Its likeness and Its purity.”

W 156 Para 5

W 58 Para 1 L 1 - 2

(your) “My holiness blesses the world. The perception of my holiness does not bless me alone. Everyone and everything (you) I see in its light shares in the joy it brings to me. There is nothing that is apart from this joy, because there is nothing that does not share my holiness. As I recognize my holiness, so does the holiness of the world shine forth for everyone to see.”

“You are one Self, united and secure in light and joy and peace. You are God's Son, one Self, with one Creator and one goal; to bring awareness of this oneness to all minds, that true creation may extend the allness and the unity of God. You are one Self, complete and healed and whole, with power to lift the veil of darkness from the world, and let the light in you come through to teach the world the truth about yourself.”

W 95 Para 12

M Gd GS

“Nothing is lost to you in all the universe. Nothing that God created has He failed to lay before you lovingly, as yours forever. And no Thought within His Mind is absent from your own. It is His Will you share His Love for you, and look upon yourself as lovingly as He conceived of you before the world began, and as He knows you still. God changes not His Mind about His Son with passing circumstance which has no meaning in eternity where He abides, and you with Him. Your brother is as He created him. And it is this that saves you from a world that He created not.”

Ch. 24 VI Para 3

“Your (my Father's) Will can do all things in me, and then extend to all the world as well through me. There is no limit on Your Will. And so all power has been given to Your Son.”

W 320 Para 2 W Gd

“O my child, if you knew what God wills for you, your joy would be complete! And what He wills has happened, for it was always true. When the light comes and you have said, ‘God's Will is mine,’ you will see such beauty that you will know it is not of you. Out of your joy you will create beauty in His Name, for your joy could no more be contained than His. The bleak little world will vanish into nothingness, and your heart will be so filled with joy that it will leap into Heaven, and into the Presence of God.”

This is your Self, the Son of God Himself, sinless as Its Creator, with His strength within you and His Love forever yours. “There will come a time when images (of self) have all gone by, and you will see you know not **
 what you are. It is to this unsealed and open mind that truth returns, unhindered and unbound.
 Where concepts of the self have been laid by is truth revealed exactly as it is. When every
 concept has been raised to doubt and question, and been recognized as made on no assumptions
 that would stand the light, then is the truth left free to enter in its sanctuary, clean and free of
 guilt. There is no statement that the world is more afraid to hear than this:

*I do not know the thing I am, and therefore do not know what I am doing, where I am, or how
 to look upon the world or on myself.*
